Meeting called to order by James Looper at 9:01am

Bill Barcellos gave some background on the proposed changes that he submitted. Proposed changes would change the name to California Water, clean up the list of references for the test by adding two additional references and removing one that is too complicated for the contest, clarifying how ties will be broken as well as changing the test format to 50 true/false and then 50 multiple choice questions; 100 questions total.

Motion made by Marin Susan to approve all proposed changes. Seconded by Matt Bongiovani.

Discussion regarding the references and how dense a large amount of the references are but happy with the links to the references.

Motion passes. Meeting adjourned at 9:14am
