The top three coaches from the previous year's state contest meet with the contest advisor prior to completion for a contest review.

Motion was made by Caitlin Indendi to move the statement on Page 4, Paragraph 3 from the Suggested Instructions for Judging Classes section of the Curricular Code, and adding it to the "Rules" section of the Curricular Code: The contest advisor will be available throughout the contest in case of any errors that may have occurred may then be corrected at tabulations in order to provide for a more outstanding State Finals Poultry Contest. The top three coaches from the previous year's state contest meet with the contest advisor prior to completion for a contest review.

Proposal 3 Part B: The team portion of the test needs to be the first station for all students and then they split into their groups and do the rest of the contest.
