EXTEMPORENEOUS PUBLIC SPEAKING

Category:	Individual
Entries:	Limit three per school
Purpose:	To improve a student speaking and thinking abilities.
Structure of Contest:	Students will have 30 minutes to prepare a 4-6-minute speech. There will be a 20-point deduction for every minute over 6 minutes or under 4 minutes. Prior to the contest, there will be 6 topics developed (one from each of the six agriculture pathways) and they will not be distributed to the contestants until their preparation time has begun. Students are to select one of the six topics for their speech. They may not bring their own resources and will be provided a computer in order to prepare. Students must cite at least one source used and will receive 10 points for doing so. The only items a student may bring are writing paper or note cards and a writing utensil. At the conclusion of the speech, judges will ask questions for up to 5 additional minutes. Speakers will draw for order. Students will also be asked to inform the judges of the topics they selected prior to giving their speech.
